What is Erin's AAIM for Change 5K RUN/WALK?

This past March marked the 13th Anniversary of Erin Elizabeth Olmsted's death a beautiful 17 year old girl who was killed by a drunk driver.

Erin was a Senior at Carl Sandburg High School, an Honor Student, Varsity Gymnastics Captain, and active Gymnastics Coach at Tumbling On U.S.A. in Orland Park. More importantly, she was a loving daughter, sister, and friend to many. Erin was a wonderful person. Her unexpected, sudden death devastated not only her family, but the community in which she lived. She has been missed each and every day.

Throughout the past thirteen years the Alliance Against Intoxicated Motorists (AAIM), a non-profit organization based in Illinois, has been helping the Olmsted Family with constant emotional support. AAIM is committed to helping victims of drunk driving. Their help includes, but is not limited to, financial support, emotional support, legal support, and education regarding the consequences of driving while intoxicated.

Erin's sister, Kate, has been working alongside AAIM by speaking on Victim Impact Panels at High Schools, Universities, and Court Houses. Because AAIM is a non-profit organization, their various support programs are sponsored completely by donations.

From the beginning, our family wanted to do something to honor Erin. We wanted her memory to live on in the community she loved so much. As a result, the Erin E. Olmsted Memorial Scholarship was founded. This Scholarship is through Carl Sandburg High School, and over the past 13 years, \$37,000.00 has been awarded to 24 recipients.

Erin was killed just short of fulfilling her dream of graduating and going to college. With this scholarship, we hope that the recipients will take "a little piece of Erin" with them and always remember her dedication, hard work ethic and burning competitive spirit - that the sky is the limit and to make a difference in the world.

We want to thank everyone who participated in last years event. It was a lot of fun and a tremendous success.

On the morning of September 5, 2010, we will be hosting the 4th Annual ERIN'S AAIM FOR CHANGE 5K RUN/WALK at Centennial Park in Orland Park, Illinois. Along with fellowship, music, and social awareness, we are hoping to raise money to support the Erin E. Olmsted Memorial Scholarship, as well as the Alliance Against Intoxicated Motorists. By participating in this event, you will be helping people in need; you will also be helping Erin's memory to live on. For more information please check out our website - www.erinsaimforchange.org - you'll be glad you did.

We thank you in advance,
Sincerely,
The Olmsted Family
